August Newsletter

- Three Day Toddlers will plan to stay only one hour the first week of school: 8:45-9:45 or 10:00-11:00. The regular schedule will begin on Friday, August 21, 8:45-11:45.
- This month we will begin learning to hold the rope when walking to the playground, to choose only one “work” at a time, to put our work away, to wait our turn, to share, and much more. Mostly we will learn about each other!
- Please understand that we are unable to engage in conversation during arrival and dismissal. Please call before 8:45, or after 12:00, and we will be happy to talk with you. Also, you may wish to email.
