

The Montessori Toddler Community

This month the toddlers will begin learning the Nursery Rhymes: Peter, Peter, Pumpkin Eater, Little Boy Blue, and Little Miss Muffett. Are our toddler parents too young to be familiar with these?:) We'll use felt cut-outs and have the children take an active role in saying the rhymes. Also this month, pumpkins, pumpkins everywhere! Toddlers will scrub a great big pumpkin, decorate mini pumpkins and hear lots of pumpkin stories. We'll learn that a pumpkin begins with a seed. The children will have the opportunity to eat the seeds after their big pumpkin is carved in the classroom. We love our terrific toddlers!

Celebrations of Life:

yellow room~ Ella Claire- October 16
